SUMMARY

Web Developer with a background in customer service and film production, looking to create/build user-friendly web applications. Holds a certificate in web development from Georgia Institute of Technology with skills in Javascript, HTML, CSS and React. A passionate creative thinker and problem solver with the ability to adapt and collaborate with cross-functional teams to create, edit, and fix web applications.

TECHNICAL SKILLS:

- Javascript
- React
- Node
- HTML5 & CSS
- JQuery
- Bootstrap & React Bootstrap
- Express
- Sequelize
- Mongo DB/Mongoose
- Handlebars
- Webpack

PROJECTS

"Talespinner"

Repo: <https://tinyurl.com/yc29t8nn> | Deployed: <https://tinyurl.com/yvuh56tp>

- A turn-based multi-player storytelling app that users can play remotely
- The app assigns randomly generated prompts for players to build off of, as the story unfolds for all to read.
- Includes a separate chat-box for social interactions

Tools/languages: HTML, Javascript, CSS, Bootstrap, Express, Sequelize, Handlebars

"Pokémon Party Builder"

Repo: <https://tinyurl.com/mrxuy36z> | Deployed: <https://tinyurl.com/ynufhmuu>

- A simple app for a user to build a party of up to 6 Pokémon
- Allows the user to look up Pokémon based on a name, generation, or type, so that they can visualize their party.

Tools/Languages: HTML, Javascript, CSS, Bootstrap, Pokémon API

EXPERIENCE

Mosaic foods, *Customer Experience Associate*— Brooklyn, NY — July 2021 - Present

- Resolved complaints, built customer loyalty, and solved issues using product knowledge and interpersonal skills

CORE, *Testing & Vaccines/Quarantine hotel Assistant* — Atlanta, GA — July 2020 - August 2021

- Provided free testing & free vaccines to local community
- Kept over 50 homeless people safe in a hotel while they quarantined by enforcing safety protocols and managing meals, by constant communication, practicing empathy and diffusing conflicts
- Successfully handled emergencies in a professional manner by remaining calm and communicating effectively

Amazon's I Want you back, *Film Production Asst. for Background Talent* — Atlanta, GA — February 2021 - May 2021

- Supervised and dispatched 50+ actors on and off set on any given day
- Corresponded with multiple departments to determine when actors were ready and needed
- Verified attendance and payment forms for 50+ actors at a time

Netflix's Red Notice, *Covid Testing & Safety Production Assistant* — Atlanta, GA — September 2020 - December 2020

- Guided cast and crew through socially distant lines and tents for safe covid testing
- Enforced covid safety rules, by reminding cast & crew to wear proper PPE and stay in their bubble
- Oversaw and managed a list of cast & crew of test times and recorded when they were tested

COSMIC SIN, *Film Production Assistant for Main Talent* — Atlanta, GA — March 2020

- Ensured actors were ready for filming once on set, checking in with sound, hair and makeup
- Guided actors to the correct location, providing a safe place for them to sit and rest between takes
- Succeeded in resolving conflicts between directors and producers by using interpersonal skills
- Wrote & itemized time cards for the Assistant Directors department

EDUCATION

GEORGIA INSTITUTE OF TECHNOLOGY — FULL STACK WEB DEVELOPMENT CERTIFICATE, 2022

VIRGINIA COMMONWEALTH UNIVERSITY — BFA THEATRE PERFORMANCE, 2011
